Plot Plan requirements:

For permitting permanent structures, applicants must provide a copy of a useable survey with the footprint of the house and/or proposed improvements and must include distances from property lines and easements with this application. A certified survey must be turned in to this office prior to foundation pours. Applicants applying for a permit for a storage building or other structure must provide a copy of survey showing location of proposed structure and distance from property lines and easements.

*** Form Board Survey must be turned in prior to foundation pour.**

*** Blower Door / Duct Blaster will be required before final inspection.**

NOTICE: THE ISSUANCE OF THIS PERMIT DOES NOT COVER ANY SUBCONTRACTOR WORK INCLUDING BUT NOT LIMITED TO ELECTRICAL, PLUMBING, OR MECHANICAL. ALL SUBCONTRACTORS MUST BE REGISTERED WITH THE CITY OF VALLEY VIEW.

The granting of a building permit does not constitute a determination that the proposed construction will or will not violate any deed restriction, covenant applicable to the property upon which the construction takes place, nor does it authorize any such violation. By signing below, I _____ as the owner or as agent for the owner certify that I have reviewed all the covenants and restrictions applicable to the above property. I further certify that I have read and understand the above provisions of the notice to applicant.
